

Sage Consulting LLC Announces Its Participation in SAP®EcoHub

**SAP EcoHub Delivers Added Value to Customers by Accelerating Discovery,
Evaluation and Purchase of Trusted Partner Solutions
– Such as Sage HCM Scan – That Complement SAP Offerings**

TULSA, OK – September 24, 2012 – Sage Consulting LLC, a respected leader in providing add-on solutions for the SAP® ERP Human Capital Management (SAP ERP HCM) application, today announced its participation in the SAP® EcoHub solution marketplace. This community-powered virtual storefront makes it easier for customers to discover, evaluate, and purchase partner solutions – such as Sage HCM Scan – that complement SAP applications.

SAP EcoHub provides customers access to complementary solutions and offerings that work best for their installation of SAP solutions. It leverages SAP's comprehensive ecosystem, where customers and partners can connect. SAP EcoHub integrates community input, user feedback, ratings and partner demos, enabling a more educated and intelligent selection of solutions.

Sage HCM Scan is listed on SAP EcoHub at <http://ecohub.sap.com/software/#!/solution:Sage-HCM-Scan>. Resources provided include a comprehensive description of the product along with informative screen captures and guides. Also, visitors to the site can request to be contacted by a Sage Consulting representative to schedule a demonstration of the solution's capabilities and benefits.

“SAP EcoHub is essential in connecting prospective clients with the integrated software solutions they need to address their unique processing requirements,” said David Jones, managing partner at Sage Consulting LLC. “Sage HCM Scan detects issues of poor data quality within the SAP ERP HCM application, utilizing both standard and custom business requirements, thus improving the stability and reliability of personnel information. It provides our customers with an unparalleled confidence in their delivery of high-quality HR data.”

As an SAP software solution and technology partner offering solutions in support of the SAP ERP HCM application, Sage Consulting LLC has made serving the needs of customers using SAP solutions a top priority. Most recently, Sage HCM Scan 1.0 achieved SAP certification as powered by the SAP NetWeaver® technology platform.

SAP EcoHub is live at <http://ecohub.sap.com>. Visitors can search for solutions in many ways, including industry or solution, keywords, relevance and partner. Solutions can be evaluated online based on feedback from other users, partners and business experts. Visitors can view an online demo on SAP EcoHub or request more information by requesting to be contacted, and initiate purchase of the solution.

About Sage Consulting LLC

Founded in 1997, Sage Consulting LLC assists companies in the installation, upgrade, and enhancement of the SAP ERP Human Capital Management (SAP ERP HCM) application. We provide experienced resources and valuable solutions to guide companies during the implementation of their respective SAP applications.
